JOIN OUR AWESOME TEAM!

.NET/C# DEVELOPER (M/W/X)

WANTED: SOFTWARE MONK

LINZ

IMMEDIATELY

MIN. € 38,500/YEAR

We are an innovative InsurTech and would like to expand our team with a software developer who would like to contribute to our latest product developments. In this position, you can expect a varied and challenging job in an exciting environment with flat hierarchies that not only allow but also expect you to contribute your own ideas. You will use and further develop the latest .NET technologies in the cloud environment and participate in our continuous delivery development process.

YOUR PROFILE

- Sound technical education, graduate of an HTL or student/graduate of a relevant FH/University and ideally first professional experience
- Knowledge of C# and .NET
- Strong inner motivation to deal with new technologies
- Willingness for ongoing personal development
- Enjoyment of software development

YOUR PERSPECTIVES

- Contributing to technology decisions & agile software development according to Scrum.
 - Working with exciting new technologies such as .Net Core, Docker, Kubernetes, Dynamics 365 and Microsoft Azure
 - Exciting development opportunities in an expanding company
 - Working in a nice, friendly team that also enjoys joint sports or culinary after-work activities
 - Central location in Linz with excellent connections to the public transport network
- Flexible working hours with a work-life balance and the possibility of working from home

SALARY RANGE

We offer an attractive and performance-related salary based on qualifications and professional experience. This can be significantly higher than the minimum salary of € 38,500 gross per year. Please understand that we are unfortunately unable to cover any costs you may incur in attending the interview at our company.
